

COLLEGE INTERVIEW PROCESS AND REQUIREMENTS:

Try not to panic about your college interview, it is a very informal process which will last up to 30 minutes.

During the interview you will:

- discuss your application and assess whether the subjects you have chosen are the right choice for you.
- check if you have applied for the right level of course/s.
- look at your predicted grades.
- discuss why you have applied for the course and what your aspirations are.
- talk about any medical or support needs you may have.
- look at your personal statement and chat about your interests and hobbies.
- ask any questions you are unsure about.
- be informed about lots of information regarding transport, enrichments, student life etc.

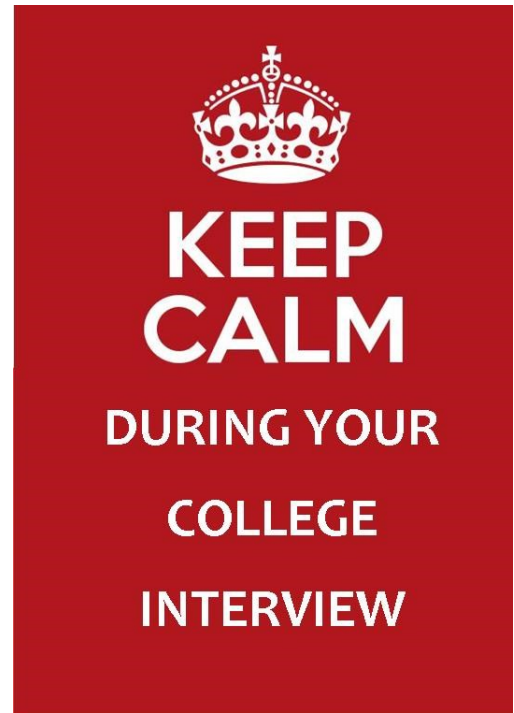

Ensure you:

- dress smartly.
- arrive on time.
- go prepared—do your research beforehand.
- take a copy of your predicted grades / past school reports.
- take any other evidence of achievements with you.

Conditional Offer:

At the end of the interview you will be given a conditional place at the college dependent on your GCSE results.

If you do not get the required grades for your chosen course you will have the opportunity to discuss alternative options with your post 16 provider when you enrol.
