PARENT'S EPRAISE HANDBOOK

EPRAISE AT NOVA HREOD

At Nova Hreod Academy, we use EPraise to help parents engage more with their children's education. This guide will explain how to get started and use some of the most popular tools available on Epraise. From April 2022, we will be using Epraise as our main method of communicating with parents.

As well as sending positive and general messages to parents via EPraise, we will use Epraise messages to let you know about any detentions your child receives and/or if they are placed in the Reflection Room.

On the Epraise website, you can find your messages under Me > Messages. On the App there is a dedicated messages tab. Messenger allows you to send and receive messages from/to your child's/children's teacher so you can keep up to date with any communication.

To create a new message select the New button at the top right. Once you have selected your child, you should see a list of all their teachers.

Note that messages sent by the school to multiple parents cannot be responded to and are moved to the 'completed' section once you have read them.

If the member of staff you send the message to can't respond to the message themselves, they can add other staff into the thread.

YOUR CHILD'S PROFILE ON EPRAISE

On the Epraise website, you can view your child/ children's profiles under the My Children tab. On the app, they are listed as tabs on the main screen.

Here you can see how your child is doing in school. You can check their DISC points and achievements as well as their behaviour demerits and interventions. On a computer, you can check staff comments on demerits. This function isn't currently available on the app.

YOUR CHILD'S HOME STUDY PLANNER ON EPRAISE

On the Epraise website, you can find out about the home study that your child has been set.

You can keep a track on their completion rates by going to on the website, selecting My Children > Planner. On the app you can find this under the More menu for each child.

On the right hand side you can select View, to see either home study that as been set that day, or homework that is due.

Please keep in mind that it is your child who marks the home study as complete rather than their teacher.
