Dear Parent/Carer,

At the last Achievement Review Day, we included a communications survey in your packs. Just under 500 of you responded to the survey. You provided us with some very helpful feedback which we are building into the actions in our improvement plan for next year.

One of the questions we asked you was whether you would like me to hold a Headteacher's Forum to share updates about the development of Nova with you three times an academic year. It was clear that this was a very popular idea. Unfortunately, we can't currently hold the forum at school. However, I have recorded a presentation for you which provides information to you about developments to:

- Communication with parents
- The school day for 2020-21
- Reporting and assessment

You can watch the video here: https://youtu.be/_g2eENB08ew

If, once you have watched the video, you would like to provide some feedback, then please use the form [here](#) to do so.

Thank you for your ongoing support and I hope that your families are all safe and well.

Kind regards,

Nick Wells

Headteacher
