3rd July 2020

Dear Parents/Carers,

Return to School: September 2020

As you will know, the government has announced the very good news that all schools will be re-opening in full from September.

We have now received the full government guidance about how this will work and we are currently finalising our plans for how we will deliver this at Nova Hreod. At all times, the safety, health and wellbeing of pupils and staff will be of the greatest importance and we will be ensuring that everything needed is put in place in the next few weeks and over the summer.

Our intention is that the school will run as normally as possible within the guidance. There will be a number of restrictions that will impact on this, however, and we will be writing to you again before the end of term with specific details of how these will work as well as towards the end of August with any necessary updates. In the letter later this term we will also confirm arrangements for the very beginning of next academic year.

We look forward to welcoming back all our pupils when next term begins. In the meantime, please do continue to ensure your child continues with their online learning and, if in Year 10 or at Front Line School, that they attend school when required until the end of term.

With best wishes,

Yours sincerely

Nick Wells
Headteacher
