15th February 2019

Dear Parent/Carer,

This is the time of year when Year 9 students are able to have some say in their studies over the next two academic years. The options process is exciting but requires careful decision making. To help you and your child make the right choices, we are doing the following:

- Year 9 students will attend an options assembly on Monday 4th March, in which they will be informed about the curriculum pathways and how to make their choices. They will receive an options guidance booklet in this assembly. Please read this with your child to help you understand the subjects that you can choose between.
- Hosting **Options Evening on Thursday 7th March**, from 6.00-7.30 pm. Here, the Headteacher and I will talk you through the compulsory Key Stage 4 curriculum and the range of options available for students. Options subjects will be there with a stall for information about their courses too. Please do attend with your child if you are able.
- Advising students on which courses to choose if they are unsure what would be the best choice for them.

Options forms are due back from students on Monday 18th March.

Much more information will be available in the extensive options booklet and during Options Evening.

We hope to see you on Thursday 7th March at 6.00 pm.

Yours faithfully,

Mr P Wilson
Assistant Principal - Curriculum
