

15th July 2026

Dear Parents, Carers and pupils,

I am writing to inform you that from September, Ms Erin Fitzgerald will be taking on the role of the Catalyst STEM Stream Coordinator. You can continue to communicate Catalyst matters to novacatalystenquiries@novahreodacademy.org.uk which is specifically for currently enrolled Catalyst pupils at Nova Hreod academy. I'm really excited about the plans Ms Fitzgerald has for the Catalyst Stream and wish her the best of luck in the role.

It has been a pleasure to be the Catalyst STEM Stream Coordinator since September 2024, working with all the Catalyst pupils in lessons, through extra-curricular activities and on school trips, where pupils have represented themselves and the school brilliantly. While I am not going to be directly involved in the day-to-day running of the Catalyst Stream, I look forward to continuing working with our pupils in Science as I start the role of Faculty Leader of Science.

Kind regards,

Sam Spreadbury

Catalyst Stem Stream Coordinator
