

23rd September 2026

Dear Parents/Carers,

From Tuesday next week, our first 3-week block of Period 7 (P7) intervention sessions begins.

Please note that **not all students will be required to attend P7 on every day**. These sessions run on Tuesdays, Wednesdays and Thursdays and are designed for **targeted groups of students**. Students will be required to attend a **maximum of two P7 sessions per week**.

To support students attending P7, there will be a short break at the end of the school day, providing time for students to have a snack before the session begins.

P7 allocations for this block will be published and updated on Arbor by the end of Wednesday 23rd September and sessions will begin on Tuesday 29th. We ask parents and carers to check Arbor to see where their child has been allocated a period 7 slot.

*****Please note due to Open Evening there will be no period 6 or period 7 on Thursday 1st October, with school finishing for Year 11 at 3pm on that day*****

Thank you for your support as we work together to enable students to make the best possible progress.

Kind regards,

Mr S Foster

Assistant Principal - Raising Standards
