UNIFORM POLICY

Nova Hreod Academy

Uniform and Equipment Policy

UNIFORM

Uniform at the Academy is very important to us because it represents our shared commitment to excellence in everything that we do. We have very high standards for the way in which our uniform is worn. We want our students to wear Nova uniform with pride.

Aims of our school uniform:

Creates a sense of belonging and pride

Our uniform and sports kits proudly display our school logo, building a feeling of belonging. It represents our collective identity and community.

Promotes equity and gives value for money

Uniform promotes equality as it reduces the financial pressures, and the stress placed on students and families to purchase and wear expensive, fashionable items and is a relatively inexpensive way of dressing young people for school. It also reduces the opportunities for bullying to occur.

Professional and practical

Following a dress code helps instil a sense of purpose; uniform is practical, identifies students and shows that students are ready to learn and work hard.

The cost of purchasing the school uniform will be the parents' responsibility.

Valuable and Electronic Items

At Nova, students may not use their phone, earphones or electronic devices in school (including smart watches).

If a student wishes to bring this equipment to school, it should remain switched off in their bag. We operate a policy of “see it, hear it, lose it” regarding electronic devices. If seen or heard anywhere inside the school gate, they will be confiscated until the end of the school day.
